EDUCATION

Course	Institute	Year of Passing	Result
Bachelor of Technology (CSE)	Marwadi University	2025	9.60 CGPA
12th Standard	Modi School	2021	81.2%
10th Standard	Podar International School	2019	93.6%

PROJECTS

Gym Registration Form (June 2022- July 2022) | Source Code

- Created and implemented a gym registration form on C++.

Tic Tac Toe Game (Dec 2022 - Dec 2022) | Source Code

- Created a Tic Tac Toe GUI based game in Java with help of Java Swing.

Snake Game (Jan 2023-Jan 2023) | Source Code

- Created a Snake game in Python with help of the Pygame Module.

Health Care Analysis (April 2023-May 2023) | Source Code

- Prediction of various diseases with the help of different ML Models deployed on a Django Framework.

Text Summarization Tool (July 2023) | Source Code

- . Extraction of Text from a PDF File and Summarization of Text in 500 words. Used Concepts of NLP and Django as a frontend framework.

Currently Working On: Defect Prognosis and Analysis (March 2023)

- Prediction of various defects based on the properties of the product provided by using different ML algorithms.

CERTIFICATES

- Programming for Everybody (Getting Started with Python) (July 2022 – August 2022)
- Python Data Structures (August 2022 – August 2022)
- Python for Data Science and Machine Learning Bootcamp (July 2022 – August 2022)
- Database Programming with SQL (August 2022 – August 2022)
- Kaggle – Pandas (December 2023 – December2023)
- Kaggle – Intro to Machine and Deep Learning (December 2023 – December 2023)

SKILLS

Programming languages	C++, Python, JAVA, Dart,
Web Development	HTML, CSS(Bootstrap), Javascript, ReactJS
Technical Skills	Data Structure & Algorithms (DSA), Data Analysis and AI/ML implementation using Python, NLP, Power BI
Database Management	SQL

EXPERIENCE

Vyza Solutions (July 2023 - Present) | Website

Position – AI Automation Intern

- Currently working on Text to Speech and Audio Synthesis.

STRENGTHS

- Leading a Team
- Being a Good Listener/Active Member of a Team
- Expert Fluency in English and Good Communication Skills
- Solving Logical Reasoning and Aptitude Based Problems
